

Seth Demonstration Forest Multi-Use Trails - Updated September 2025

Attention Hunters and Trail Users

There will be an increase in traffic on the trails as trail maintenance continues.

Please be aware of volunteers running chainsaws, weedwhackers, and other power tools while we work to open and establish new and existing trails.

If you have any questions, concerns, or would like to help, please contact lead trail maintainer:

**Jenny Dillon at

Trail maintenance has been approved by Chesapeake Forestlands who own and maintain this property for all to use and enjoy.
